International Standard on Auditing (ISA) 720 (Revised), *The Auditor's Responsibilities Relating to Other Information*, should be read in conjunction with ISA 200, *Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance with International Standards on Auditing*.

## Introduction

### Scope of this ISA

1. This International Standard on Auditing (ISA) deals with the auditor's responsibilities relating to other information, whether financial or non-financial information (other than financial statements and the auditor's report thereon), included in an entity's annual report. An entity's annual report may be a single document or a combination of documents that serve the same purpose.
2. This ISA is written in the context of an audit of financial statements by an independent auditor. Accordingly, the objectives of the auditor in this ISA are to be understood in the context of the overall objectives of the auditor as stated in paragraph 11 of ISA 200.<sup>1</sup> The requirements in the ISAs are designed to enable the auditor to achieve the objectives specified in the ISAs, and thereby the overall objectives of the auditor. The auditor's opinion on the financial statements does not cover the other information, nor does this ISA require the auditor to obtain audit evidence beyond that required to form an opinion on the financial statements.
3. This ISA requires the auditor to read and consider the other information because other information that is materially inconsistent with the financial statements or the auditor's knowledge obtained in the audit may indicate that there is a material misstatement of the financial statements or that a material misstatement of the other information exists, either of which may undermine the credibility of the financial statements and the auditor's report thereon. Such material misstatements may also inappropriately influence the economic decisions of the users for whom the auditor's report is prepared.
4. This ISA may also assist the auditor in complying with relevant ethical requirements<sup>2</sup> that require the auditor to avoid being knowingly associated with information that the auditor believes contains a materially false or misleading statement, statements or information furnished recklessly, or omits or obscures information required to be included where such omission or obscurity would be misleading.
5. Other information may include amounts or other items that are intended to be the same as, to summarize, or to provide greater detail, about amounts or other items in the financial statements, and other amounts or other items about which the auditor has obtained knowledge in the audit. Other information may also include other matters.
6. The auditor's responsibilities relating to other information (other than applicable reporting responsibilities) apply regardless of whether the other information is obtained by the auditor prior to, or after, the date of the auditor's report.
7. This ISA does not apply to:
  - (a) Preliminary announcements of financial information; or
  - (b) Securities offering documents, including prospectuses.
8. The auditor's responsibilities under this ISA do not constitute an assurance engagement on other information or impose an obligation on the auditor to obtain assurance about the other information.

<sup>1</sup> ISA 200, *Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance with International Standards on Auditing*

<sup>2</sup> International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code), paragraph 110.2

9. Law or regulation may impose additional obligations on the auditor in relation to other information that are beyond the scope of this ISA.

### **Effective Date**

10. This ISA is effective for audits of financial statements for periods ending on or after December 15, 2016.

### **Objectives**

11. The objectives of the auditor, having read the other information, are:
  - (a) To consider whether there is a material inconsistency between the other information and the financial statements;
  - (b) To consider whether there is a material inconsistency between the other information and the auditor's knowledge obtained in the audit;
  - (c) To respond appropriately when the auditor identifies that such material inconsistencies appear to exist, or when the auditor otherwise becomes aware that other information appears to be materially misstated; and
  - (d) To report in accordance with this ISA.

### **Definitions**

12. For purposes of the ISAs, the following terms have the meanings attributed below:
  - (a) Annual report – A document, or combination of documents, prepared typically on an annual basis by management or those charged with governance in accordance with law, regulation or custom, the purpose of which is to provide owners (or similar stakeholders) with information on the entity's operations and the entity's financial results and financial position as set out in the financial statements. An annual report contains or accompanies the financial statements and the auditor's report thereon and usually includes information about the entity's developments, its future outlook and risks and uncertainties, a statement by the entity's governing body, and reports covering governance matters. (Ref: Para. A1–A5)
  - (b) Misstatement of the other information – A misstatement of the other information exists when the other information is incorrectly stated or otherwise misleading (including because it omits or obscures information necessary for a proper understanding of a matter disclosed in the other information). (Ref: Para. A6–A7)
  - (c) Other information – Financial or non-financial information (other than financial statements and the auditor's report thereon) included in an entity's annual report. (Ref: Para. A8–A10)

### **Requirements**

#### **Obtaining the Other Information**

13. The auditor shall: (Ref: Para. A11–A22)
  - (a) Determine, through discussion with management, which document(s) comprises the annual report, and the entity's planned manner and timing of the issuance of such document(s);

- (b) Make appropriate arrangements with management to obtain in a timely manner and, if possible, prior to the date of the auditor's report, the final version of the document(s) comprising the annual report; and
- (c) When some or all of the document(s) determined in (a) will not be available until after the date of the auditor's report, request management to provide a written representation that the final version of the document(s) will be provided to the auditor when available, and prior to its issuance by the entity, such that the auditor can complete the procedures required by this ISA. (Ref: Para. A22)

### **Reading and Considering the Other Information**

14. The auditor shall read the other information and, in doing so shall: (Ref: Para. A23–A24)
- (a) Consider whether there is a material inconsistency between the other information and the financial statements. As the basis for this consideration, the auditor shall, to evaluate their consistency, compare selected amounts or other items in the other information (that are intended to be the same as, to summarize, or to provide greater detail about, the amounts or other items in the financial statements) with such amounts or other items in the financial statements; and (Ref: Para. A25–A29)
  - (b) Consider whether there is a material inconsistency between the other information and the auditor's knowledge obtained in the audit, in the context of audit evidence obtained and conclusions reached in the audit. (Ref: Para. A30–A36)
15. While reading the other information in accordance with paragraph 14, the auditor shall remain alert for indications that the other information not related to the financial statements or the auditor's knowledge obtained in the audit appears to be materially misstated. (Ref: Para. A24, A37–A38)

### **Responding When a Material Inconsistency Appears to Exist or Other Information Appears to Be Materially Misstated**

16. If the auditor identifies that a material inconsistency appears to exist (or becomes aware that the other information appears to be materially misstated), the auditor shall discuss the matter with management and, if necessary, perform other procedures to conclude whether: (Ref: Para. A39–A43)
- (a) A material misstatement of the other information exists;
  - (b) A material misstatement of the financial statements exists; or
  - (c) The auditor's understanding of the entity and its environment needs to be updated.

### **Responding When the Auditor Concludes That a Material Misstatement of the Other Information Exists**

17. If the auditor concludes that a material misstatement of the other information exists, the auditor shall request management to correct the other information. If management:
- (a) Agrees to make the correction, the auditor shall determine that the correction has been made; or
  - (b) Refuses to make the correction, the auditor shall communicate the matter with those charged with governance and request that the correction be made.

18. If the auditor concludes that a material misstatement exists in other information obtained prior to the date of the auditor's report, and the other information is not corrected after communicating with those charged with governance, the auditor shall take appropriate action, including: (Ref: Para. A44)
  - (a) Considering the implications for the auditor's report and communicating with those charged with governance about how the auditor plans to address the material misstatement in the auditor's report (see paragraph 22(e)(ii)); or (Ref: Para. A45)
  - (b) Withdrawing from the engagement, where withdrawal is possible under applicable law or regulation. (Ref: Para. A46–A47)
19. If the auditor concludes that a material misstatement exists in other information obtained after the date of the auditor's report, the auditor shall:
  - (a) If the other information is corrected, perform the procedures necessary in the circumstances; or (Ref: Para. A48)
  - (b) If the other information is not corrected after communicating with those charged with governance, take appropriate action considering the auditor's legal rights and obligations, to seek to have the uncorrected material misstatement appropriately brought to the attention of users for whom the auditor's report is prepared. (Ref: Para. A49–A50)

**Responding When a Material Misstatement in the Financial Statements Exists or the Auditor's Understanding of the Entity and Its Environment Needs to Be Updated**

20. If, as a result of performing the procedures in paragraphs 14–15, the auditor concludes that a material misstatement in the financial statements exists or the auditor's understanding of the entity and its environment needs to be updated, the auditor shall respond appropriately in accordance with the other ISAs. (Ref: Para. A51)

**Reporting**

21. The auditor's report shall include a separate section with a heading "Other Information", or other appropriate heading, when, at the date of the auditor's report:
  - (a) For an audit of financial statements of a listed entity, the auditor has obtained, or expects to obtain, the other information; or
  - (b) For an audit of financial statements of an entity other than a listed entity, the auditor has obtained some or all of the other information. (Ref: Para. A52)
22. When the auditor's report is required to include an Other Information section in accordance with paragraph 21, this section shall include: (Ref: Para. A53)
  - (a) A statement that management is responsible for the other information;
  - (b) An identification of:
    - (i) Other information, if any, obtained by the auditor prior to the date of the auditor's report; and
    - (ii) For an audit of financial statements of a listed entity, other information, if any, expected to be obtained after the date of the auditor's report;

- (c) A statement that the auditor's opinion does not cover the other information and, accordingly, that the auditor does not express (or will not express) an audit opinion or any form of assurance conclusion thereon;
  - (d) A description of the auditor's responsibilities relating to reading, considering and reporting on other information as required by this ISA; and
  - (e) When other information has been obtained prior to the date of the auditor's report, either:
    - (i) A statement that the auditor has nothing to report; or
    - (ii) If the auditor has concluded that there is an uncorrected material misstatement of the other information, a statement that describes the uncorrected material misstatement of the other information.
23. When the auditor expresses a qualified or adverse opinion in accordance with ISA 705 (Revised),<sup>3</sup> the auditor shall consider the implications of the matter giving rise to the modification of opinion for the statement required in paragraph 22(e). (Ref: Para. A54–A58)

#### *Reporting Prescribed by Law or Regulation*

24. If the auditor is required by law or regulation of a specific jurisdiction to refer to the other information in the auditor's report using a specific layout or wording, the auditor's report shall refer to International Standards on Auditing only if the auditor's report includes, at a minimum: (Ref: Para. A59)
- (a) Identification of the other information obtained by the auditor prior to the date of the auditor's report;
  - (b) A description of the auditor's responsibilities with respect to the other information; and
  - (c) An explicit statement addressing the outcome of the auditor's work for this purpose.

#### **Documentation**

25. In addressing the requirements of ISA 230<sup>4</sup> as it applies to this ISA, the auditor shall include in the audit documentation:
- (a) Documentation of the procedures performed under this ISA; and
  - (b) The final version of the other information on which the auditor has performed the work required under this ISA.

## **Application and Other Explanatory Material**

### **Definitions**

#### *Annual Report* (Ref: Para. 12(a))

- A1. Law, regulation or custom may define the content of an annual report, and the name by which it is to be referred, for entities in a particular jurisdiction; however, the content and the name may vary within a jurisdiction and from one jurisdiction to another.

---

<sup>3</sup> ISA 705 (Revised), *Modifications to the Opinion in the Independent Auditor's Report*

<sup>4</sup> ISA 230, *Audit Documentation*, paragraphs 8–11

- A2. An annual report is typically prepared on an annual basis. However, when the financial statements being audited are prepared for a period less than or more than a year, an annual report may also be prepared that covers the same period as the financial statements.
- A3. In some cases, an entity's annual report may be a single document and referred to by the title "annual report" or by some other title. In other cases, law, regulation or custom may require the entity to report to owners (or similar stakeholders) information on the entity's operations and the entity's financial results and financial position as set out in the financial statements (i.e., an annual report) by way of a single document, or by way of two or more separate documents that in combination serve the same purpose. For example, depending on law, regulation or custom in a particular jurisdiction, one or more of the following documents may form part of the annual report:
- Management report, management commentary, or operating and financial review or similar reports by those charged with governance (for example, a directors' report).
  - Chairman's statement.
  - Corporate governance statement.
  - Internal control and risk assessment reports.
- A4. An annual report may be made available to users in printed form, or electronically, including on the entity's website. A document (or combination of documents) may meet the definition of an annual report, irrespective of the manner in which it is made available to users.
- A5. An annual report is different in nature, purpose and content from other reports, such as a report prepared to meet the information needs of a specific stakeholder group or a report prepared to comply with a specific regulatory reporting objective (even when such a report is required to be publicly available). Examples of reports that, when issued as standalone documents, are not typically part of the combination of documents that comprise an annual report (subject to law, regulation or custom), and that, therefore, are not other information within the scope of this ISA, include:
- Separate industry or regulatory reports (for example, capital adequacy reports), such as may be prepared in the banking, insurance, and pension industries.
  - Corporate social responsibility reports.
  - Sustainability reports.
  - Diversity and equal opportunity reports.
  - Product responsibility reports.
  - Labor practices and working conditions reports.
  - Human rights reports.

*Misstatement of the Other Information* (Ref: Para. 12(b))

- A6. When a particular matter is disclosed in the other information, the other information may omit or obscure information that is necessary for a proper understanding of that matter. For example, if the other information purports to address the key performance indicators used by management, then omission of a key performance indicator used by management could indicate that the other information is misleading.

A7. The concept of materiality may be discussed in a framework applicable to the other information and, if so, such a framework may provide a frame of reference for the auditor in making judgments about materiality under this ISA. In many cases, however, there may be no applicable framework that includes a discussion of the concept of materiality as it applies to the other information. In such circumstances, the following characteristics provide the auditor with a frame of reference in determining if a misstatement of the other information is material:

- Materiality is considered in the context of the common information needs of users as a group. The users of the other information are expected to be the same as the users of the financial statements as such users may be expected to read the other information to provide context to the financial statements.
- Judgments about materiality take into account the specific circumstances of the misstatement, considering whether users would be influenced by the effect of the uncorrected misstatement. Not all misstatements will influence the economic decisions of users.
- Judgments about materiality involve both qualitative and quantitative considerations. Accordingly, such judgments may take into account the nature or magnitude of the items that the other information addresses in the context of the entity's annual report.

*Other Information* (Ref: Para. 12(c))

- A8. Appendix 1 contains examples of amounts or other items that may be included in the other information.
- A9. In some cases, the applicable financial reporting framework may require specific disclosures but permit them to be located outside of the financial statements.<sup>5</sup> As such disclosures are required by the applicable financial reporting framework, they form part of the financial statements. Accordingly, they do not constitute other information for the purpose of this ISA.
- A10. eXtensible Business Reporting Language (XBRL) tags do not represent other information as defined in this ISA.

**Obtaining the Other Information** (Ref: Para. 13)

- A11. Determining the document(s) that is or comprises the annual report is often clear based on law, regulation or custom. In many cases, management or those charged with governance may have customarily issued a package of documents that together comprise the annual report, or may have committed to do so. In some cases, however, it may not be clear which document(s) is or comprises the annual report. In such cases, the timing and purpose of the documents (and for whom they are intended) are matters that may be relevant to the auditor's determination of which document(s) is or comprises the annual report.
- A12. When the annual report is translated into other languages pursuant to law or regulation (such as may occur when a jurisdiction has more than one official language), or when multiple "annual reports" are prepared under different legislation (for example, when an entity is listed in more than one jurisdiction), consideration may need to be given as to whether one, or more than one of the "annual

---

<sup>5</sup> For example, International Financial Reporting Standards (IFRS) 7, *Financial Instruments: Disclosures*, permits certain disclosures required by the IFRSs to either be given in the financial statements or incorporated by cross-reference from the financial statements to some other statement, such as a management commentary or risk report, that is available to users of the financial statements on the same terms as the financial statements and at the same time.

reports” form part of the other information. Local law or regulation may provide further guidance in this respect.

A13. Management, or those charged with governance, is responsible for preparing the annual report. The auditor may communicate with management or those charged with governance:

- The auditor’s expectations in relation to obtaining the final version of the annual report (including a combination of documents that together comprise the annual report) in a timely manner prior to the date of the auditor’s report such that the auditor can complete the procedures required by this ISA before the date of the auditor’s report, or if that is not possible, as soon as practicable and in any case prior to the entity’s issuance of such information.
- The possible implications when the other information is obtained after the date of the auditor’s report.

A14. The communications referred to in paragraph A13 may be particularly appropriate for example:

- In an initial audit engagement.
- When there has been a change in management or those charged with governance.
- When other information is expected to be obtained after the date of the auditor’s report.

A15. Where those charged with governance are to approve the other information prior to its issuance by the entity, the final version of such other information is the one that has been approved by those charged with governance for issuance.

A16. In some cases, the entity’s annual report may be a single document to be released, in accordance with law or regulation or the entity’s reporting practice, shortly after the entity’s financial reporting period such that it is available to the auditor prior to the date of the auditor’s report. In other cases, such a document may not be required to be released until a later time, or at a time of the entity’s choosing. There may also be circumstances when the entity’s annual report is a combination of documents, each subject to different requirements or reporting practice by the entity with respect to the timing of their release.

A17. There may be circumstances when, at the date of the auditor’s report, the entity is considering the development of a document that may be part of the entity’s annual report (for example, a voluntary report to stakeholders) but management is unable to confirm to the auditor the purpose or timing of such a document. If the auditor is unable to ascertain the purpose or timing of such a document, the document is not considered other information for purposes of this ISA.

A18. Obtaining the other information in a timely manner prior to the date of the auditor’s report enables any revisions that are found to be necessary to be made to the financial statements, the auditor’s report, or the other information prior to their issuance. The audit engagement letter<sup>6</sup> may make reference to an agreement with management to make available to the auditor the other information in a timely manner, and if possible prior to the date of the auditor’s report.

A19. When other information is only made available to users via the entity’s website, the version of the other information obtained from the entity, rather than directly from the entity’s website, is the relevant document on which the auditor would perform procedures in accordance with this ISA. The auditor has no responsibility under this ISA to search for other information, including other information that may be on the entity’s website, nor to perform any procedures to confirm that other information is

---

<sup>6</sup> ISA 210, *Agreeing the Terms of Audit Engagements*, paragraph A23

appropriately displayed on the entity's website or otherwise has been appropriately transmitted or displayed electronically.

- A20. The auditor is not precluded from dating or issuing the auditor's report if the auditor has not obtained some or all of the other information.
- A21. When the other information is obtained after the date of the auditor's report, the auditor is not required to update the procedures performed in accordance with paragraphs 6 and 7 of ISA 560.<sup>7</sup>
- A22. ISA 580<sup>8</sup> establishes requirements and provides guidance on the use of written representations. The written representation required to be requested by paragraph 13(c) regarding other information that will be available only after the date of the auditor's report is intended to support the auditor's ability to complete the procedures required by this ISA with respect to such information. In addition, the auditor may find it useful to request other written representations, for example, that:
- Management has informed the auditor of all the documents that it expects to issue that may comprise other information;
  - The financial statements and any other information obtained by the auditor prior to the date of the auditor's report are consistent with one another, and the other information does not contain any material misstatements; and
  - With regard to other information that has not been obtained by the auditor prior to the date of the auditor's report, that management intends to prepare and issue such other information and the expected timing of such issuance.

**Reading and Considering the Other Information** (Ref: Para. 14–15)

- A23. The auditor is required by ISA 200<sup>9</sup> to plan and perform the audit with professional skepticism. Maintaining professional skepticism when reading and considering the other information includes, for example, recognizing that management may be overly optimistic about the success of its plans, and being alert to information that may be inconsistent with:
- (a) The financial statements; or
  - (b) The auditor's knowledge obtained in the audit.
- A24. In accordance with ISA 220,<sup>10</sup> the engagement partner is required to take responsibility for the direction, supervision and performance of the audit engagement in compliance with professional standards and applicable legal and regulatory requirements. In the context of this ISA, factors that may be taken into account when determining the appropriate engagement team members to address the requirements of paragraphs 14–15, include:
- The relative experience of engagement team members.
  - Whether the engagement team members to be assigned the tasks have the relevant knowledge obtained in the audit to identify inconsistencies between the other information and that knowledge.

---

<sup>7</sup> ISA 560, *Subsequent Events*

<sup>8</sup> ISA 580, *Written Representations*

<sup>9</sup> ISA 200, paragraph 15

<sup>10</sup> ISA 220, *Quality Control for an Audit of Financial Statements*, paragraph 15(a)

- The degree of judgment involved in addressing the requirements of paragraph 14–15. For example, performing procedures to evaluate the consistency of amounts in the other information that are intended to be the same as amounts in the financial statements may be carried out by less experienced engagement team members.
- Whether, in the case of a group audit, it is necessary to make inquiries of a component auditor in addressing the other information related to that component.

*Considering Whether There is a Material Inconsistency between the Other Information and the Financial Statements* (Ref: Para. 14(a))

A25. Other information may include amounts or other items that are intended to be the same as, to summarize, or to provide greater detail about, the amounts or other items in the financial statements. Examples of such amounts or other items may include:

- Tables, charts or graphs containing extracts of the financial statements.
- A disclosure providing greater detail about a balance or account shown in the financial statements, such as “Revenue for 20X1 comprised XXX million from product X and YYY million from product Y.”
- Descriptions of the financial results, such as “Total research and development expense was XXX in 20X1.”

A26. In evaluating the consistency of selected amounts or other items in the other information with the financial statements, the auditor is not required to compare all amounts or other items in the other information that are intended to be the same as, to summarize, or to provide greater detail about, the amounts or other items in the financial statements, with such amounts or other items in the financial statements.

A27. Selecting the amounts or other items to compare is a matter of professional judgment. Factors relevant to this judgment include:

- The significance of the amount or other item in the context in which it is presented, which may affect the importance that users would attach to the amount or other item (for example, a key ratio or amount).
- If quantitative, the relative size of the amount compared with accounts or items in the financial statements or the other information to which they relate.
- The sensitivity of the particular amount or other item in the other information, for example, share based payments for senior management.

A28. Determining the nature and extent of procedures to address the requirement in paragraph 14(a) is a matter of professional judgment, recognizing that the auditor’s responsibilities under this ISA do not constitute an assurance engagement on the other information or impose an obligation to obtain assurance about the other information. Examples of such procedures include:

- For information that is intended to be the same as information in the financial statements, comparing the information to the financial statements.
- For information intended to convey the same meaning as disclosures in the financial statements, comparing the words used and considering the significance of differences in wording used and whether such differences imply different meanings.

- Obtaining a reconciliation between an amount within the other information and the financial statements from management and:
  - Comparing items in the reconciliation to the financial statements and the other information; and
  - Checking whether the calculations within the reconciliation are arithmetically accurate.

A29. Evaluating the consistency of selected amounts or other items in the other information with the financial statements includes, when relevant given the nature of the other information, the manner of their presentation compared to the financial statements.

*Considering Whether There Is a Material Inconsistency between the Other Information and the Auditor's Knowledge Obtained in the Audit* (Ref: Para. 14(b))

A30. Other information may include amounts or items that are related to the auditor's knowledge obtained in the audit (other than those in paragraph 14(a)). Examples of such amounts or items may include:

- A disclosure of the units produced, or a table summarizing such production by geographical region.
- A statement that "The company introduced product X and product Y during the year."
- A summary of the locations of the entity's major operations, such as "the entity's major center of operation is in country X, and there are also operations in countries Y and Z."

A31. The auditor's knowledge obtained in the audit includes the auditor's understanding of the entity and its environment, including the entity's internal control, obtained in accordance with ISA 315 (Revised).<sup>11</sup> ISA 315 (Revised) sets out the auditor's required understanding, which includes such matters as obtaining an understanding of:

- (a) The relevant industry, regulatory, and other external factors;
- (b) The nature of the entity;
- (c) The entity's selection and application of accounting policies;
- (d) The entity's objectives and strategies;
- (e) The measurement and review of the entity's financial performance; and
- (f) The entity's internal control.

A32. The auditor's knowledge obtained in the audit may also include matters that are prospective in nature. Such matters may include, for example, business prospects and future cash flows that the auditor considered when evaluating the assumptions used by management in performing impairment tests on intangible assets such as goodwill, or when evaluating management's assessment of the entity's ability to continue as a going concern.

A33. In considering whether there is a material inconsistency between the other information and the auditor's knowledge obtained in the audit, the auditor may focus on those matters in the other information that are of sufficient importance that a misstatement of the other information in relation to that matter could be material.

---

<sup>11</sup> ISA 315 (Revised), *Identifying and Assessing the Risks of Material Misstatement through Understanding the Entity and Its Environment*, paragraphs 11–12

- A34. In relation to many matters in the other information, the auditor's recollection of the audit evidence obtained and conclusions reached in the audit may be sufficient to enable the auditor to consider whether there is a material inconsistency between the other information and the auditor's knowledge obtained in the audit. The more experienced and the more familiar with the key aspects of the audit the auditor is, the more likely it is that the auditor's recollection of relevant matters will be sufficient. For example, the auditor may be able to consider whether there is a material inconsistency between the other information and the auditor's knowledge obtained in the audit in light of the auditor's recollection of discussions held with management or those charged with governance or findings from procedures carried out during the audit such as the reading of board minutes, without the need to take further action.
- A35. The auditor may determine that referring to relevant audit documentation or making inquiries of relevant members of the engagement team or relevant component auditors is appropriate as a basis for the auditor's consideration of whether a material inconsistency exists. For example:
- When the other information describes the planned cessation of a major product line and, although the auditor is aware of the planned cessation, the auditor may make inquiries of the relevant engagement team member who performed the audit procedures in this area to support the auditor's consideration of whether the description is materially inconsistent with the auditor's knowledge obtained during the audit.
  - When the other information describes important details of a lawsuit addressed in the audit, but the auditor cannot recall them adequately, it may be necessary to refer to the audit documentation where such details are summarized to support the auditor's recollection.
- A36. Whether, and if so the extent to which, the auditor refers to relevant audit documentation, or makes inquiries of relevant members of the engagement team or relevant component auditors is a matter of professional judgment. However, it may not be necessary for the auditor to refer to relevant audit documentation, or to make inquiries of relevant members of the engagement team or relevant component auditors about any matter included in the other information.

*Remaining Alert for Other Indications that the Other Information Appears to Be Materially Misstated (Ref: Para. 15)*

- A37. Other information may include discussion of matters that are not related to the financial statements and may also extend beyond the auditor's knowledge obtained in the audit. For example, the other information may include statements about the entity's greenhouse gas emissions.
- A38. Remaining alert for other indications that the other information not related to the financial statements or the auditor's knowledge obtained in the audit appears to be materially misstated assists the auditor in complying with relevant ethical requirements that require the auditor to avoid being knowingly associated with other information that the auditor believes contains a materially false or misleading statement, a statement furnished recklessly, or omits or obscures necessary information such that the other information is misleading.<sup>12</sup> Remaining alert for other indications that the other information appears to be materially misstated could potentially result in the auditor identifying such matters as:
- Differences between the other information and the general knowledge, apart from the knowledge obtained in the audit, of the engagement team member reading the other

---

<sup>12</sup> IESBA Code, paragraph 110.2

information that lead the auditor to believe that the other information appears to be materially misstated; or

- An internal inconsistency in the other information that leads the auditor to believe that the other information appears to be materially misstated.

**Responding When a Material Inconsistency Appears to Exist or Other Information Appears to Be Materially Misstated** (Ref: Para. 16)

- A39. The auditor's discussion with management about a material inconsistency (or other information that appears to be materially misstated) may include requesting management to provide support for the basis of management's statements in the other information. Based on management's further information or explanations, the auditor may be satisfied that the other information is not materially misstated. For example, management explanations may indicate reasonable and sufficient grounds for valid differences of judgment.
- A40. Conversely, the discussion with management may provide further information that supports the auditor's conclusion that a material misstatement of the other information exists.
- A41. It may be more difficult for the auditor to challenge management on matters of judgment than on those of a more factual nature. However, there may be circumstances where the auditor concludes that the other information contains a statement that is not consistent with the financial statements or the auditor's knowledge obtained in the audit. These circumstances may raise doubt about the other information, the financial statements, or the auditor's knowledge obtained in the audit.
- A42. As there is a wide range of possible material misstatements of the other information, the nature and extent of other procedures the auditor may perform to conclude whether a material misstatement of the other information exists are matters of the auditor's professional judgment in the circumstances.
- A43. When a matter is unrelated to the financial statements or the auditor's knowledge obtained in the audit, the auditor may not be able to fully assess management's responses to the auditor's inquiries. Nevertheless, based on management's further information or explanations, or following changes made by management to the other information, the auditor may be satisfied that a material inconsistency no longer appears to exist or that the other information no longer appears to be materially misstated. When the auditor is unable to conclude that a material inconsistency no longer appears to exist or that the other information no longer appears to be materially misstated, the auditor may request management to consult with a qualified third party (for example, a management's expert or legal counsel). In certain cases, after considering the responses from management's consultation, the auditor may not be able to conclude whether or not a material misstatement of the other information exists. Actions the auditor may then take include one or more of the following:
- Obtaining advice from the auditor's legal counsel;
  - Considering the implications for the auditor's report for example, whether to describe the circumstances when there is a limitation imposed by management; or
  - Withdrawing from the audit, where withdrawal is possible under applicable law or regulation.

## **Responding When the Auditor Concludes That a Material Misstatement of the Other Information Exists**

### *Responding When the Auditor Concludes That a Material Misstatement Exists in Other Information Obtained prior to the Date of the Auditor's Report (Ref: Para. 18)*

A44. The actions the auditor takes if the other information is not corrected after communicating with those charged with governance are a matter of the auditor's professional judgment. The auditor may take into account whether the rationale given by management and those charged with governance for not making the correction raises doubt about the integrity or honesty of management or those charged with governance, such as when the auditor suspects an intention to mislead. The auditor may also consider it appropriate to seek legal advice. In some cases, the auditor may be required by law, regulation or other professional standards to communicate the matter to a regulator or relevant professional body.

#### Reporting Implications (Ref: Para. 18(a))

A45. In rare circumstances, a disclaimer of opinion on the financial statements may be appropriate when the refusal to correct the material misstatement of the other information casts such doubt on the integrity of management and those charged with governance as to call into question the reliability of audit evidence in general.

#### Withdrawal from the Engagement (Ref: Para. 18(b))

A46. Withdrawal from the engagement, where withdrawal is possible under applicable law or regulation, may be appropriate when the circumstances surrounding the refusal to correct the material misstatement of the other information cast such doubt on the integrity of management and those charged with governance as to call into question the reliability of representations obtained from them during the audit.

#### Considerations specific to public sector entities (Ref: Para. 18(b))

A47. In the public sector, withdrawal from the engagement may not be possible. In such cases, the auditor may issue a report to the legislature providing details of the matter or may take other appropriate actions.

### *Responding When the Auditor Concludes That a Material Misstatement Exists in Other Information Obtained after the Date of the Auditor's Report (Ref: Para. 19)*

A48. If the auditor concludes that a material misstatement exists in other information obtained after the date of the auditor's report, and such a material misstatement has been corrected, the auditor's procedures necessary in the circumstances include determining that the correction has been made (in accordance with paragraph 17(a)) and may include reviewing the steps taken by management to communicate with those in receipt of the other information, if previously issued, to inform them of the revision.

A49. If those charged with governance do not agree to revise the other information, taking appropriate action to seek to have the uncorrected misstatement appropriately brought to the attention of users for whom the auditor's report is prepared requires the exercise of professional judgment, and may be affected by relevant law or regulation in the jurisdiction. Accordingly, the auditor may consider it appropriate to seek legal advice about the auditor's legal rights and obligations.

A50. When a material misstatement of the other information remains uncorrected, appropriate actions that the auditor may take to seek to have the uncorrected material misstatement appropriately brought to the attention of users for whom the auditor's report is prepared, when permitted by law or regulation, include, for example:

- Providing a new or amended auditor's report to management including a modified section in accordance with paragraph 22, and requesting management to provide this new or amended auditor's report to users for whom the auditor's report is prepared. In doing so, the auditor may need to consider the effect, if any, on the date of the new or amended auditor's report, in view of the requirements of the ISAs or applicable law or regulation. The auditor may also review the steps taken by management to provide the new or amended auditor's report to such users;
- Bringing the material misstatement of the other information to the attention of the users for whom the auditor's report is prepared (for example, by addressing the matter in a general meeting of shareholders);
- Communicating with a regulator or relevant professional body about the uncorrected material misstatement; or
- Considering the implications for engagement continuance (see also paragraph A46).

**Responding When a Material Misstatement in the Financial Statements Exists or the Auditor's Understanding of the Entity and Its Environment Needs to Be Updated** (Ref: Para. 20)

A51. In reading the other information, the auditor may become aware of new information that has implications for:

- The auditor's understanding of the entity and its environment and, accordingly, may indicate the need to revise the auditor's risk assessment.<sup>13</sup>
- The auditor's responsibility to evaluate the effect of identified misstatements on the audit and of uncorrected misstatements, if any, on the financial statements.<sup>14</sup>
- The auditor's responsibilities relating to subsequent events.<sup>15</sup>

**Reporting** (Ref: Para. 21–24)

A52. For an audit of financial statements of an entity other than a listed entity, the auditor may consider that the identification in the auditor's report of other information that the auditor expects to obtain after the date of the auditor's report would be appropriate in order to provide additional transparency about the other information that is subject to the auditor's responsibilities under this ISA. The auditor may consider it appropriate to do so, for example, when management is able to represent to the auditor that such other information will be issued after the date of the auditor's report.

<sup>13</sup> ISA 315 (Revised), paragraphs 11, 31, and A1

<sup>14</sup> ISA 450, *Evaluation of Misstatements Identified during the Audit*

<sup>15</sup> ISA 560, paragraphs 10 and 14

*Illustrative Statements* (Ref: Para. 21–22)

A53. Illustrative examples of the “Other Information” section of the auditor's report are included in Appendix 2.

*Reporting Implications When the Auditor's Opinion on the Financial Statements Is Qualified or Adverse*  
(Ref: Para. 23)

A54. A qualified or adverse auditor's opinion on the financial statements may not have an impact on the statement required by paragraph 22(e) if the matter in respect of which the auditor's opinion has been modified is not included or otherwise addressed in the other information and the matter does not affect any part of the other information. For example, a qualified opinion on the financial statements because of non-disclosure of directors' remuneration as required by the applicable financial reporting framework may have no implications for the reporting required under this ISA. In other circumstances, there may be implications for such reporting as described in paragraphs A55–A58.

*Qualified Opinion Due to a Material Misstatement in the Financial Statements*

A55. In circumstances when the auditor's opinion is qualified, consideration may be given as to whether the other information is also materially misstated for the same matter as, or a related matter to, the matter giving rise to the qualified opinion on the financial statements.

*Qualified Opinion Due to Limitation of Scope*

A56. When there is a limitation of scope with respect to a material item in the financial statements, the auditor will not have obtained sufficient appropriate audit evidence about that matter. In these circumstances, the auditor may be unable to conclude whether or not the amounts or other items in the other information related to this matter result in a material misstatement of the other information. Accordingly, the auditor may need to modify the statement required by paragraph 22(e) to refer to the auditor's inability to consider management's description of the matter in the other information in respect of which the auditor's opinion on the financial statements has been qualified as explained in the Basis for Qualified Opinion paragraph. The auditor is nevertheless required to report any other uncorrected material misstatements of the other information that have been identified.

*Adverse Opinion*

A57. An adverse opinion on the financial statements relating to a specific matter(s) described in the Basis for Adverse Opinion paragraph does not justify the omission of reporting of material misstatements of the other information that the auditor has identified in the auditor's report in accordance with paragraph 22(e)(ii). When an adverse opinion has been expressed on the financial statements, the auditor may need to appropriately modify the statement required by paragraph 22(e) for example, to indicate that amounts or items in the other information is materially misstated for the same matter as, or a related matter to, the matter giving rise to the adverse opinion on the financial statements.

*Disclaimer of Opinion*

A58. When the auditor disclaims an opinion on the financial statements, providing further details about the audit, including a section to address other information may overshadow the disclaimer of opinion on the financial statements as a whole. Accordingly, in those circumstances, as required by ISA 705 (Revised), the auditor's report does not include a section addressing the reporting requirements under this ISA.

*Reporting Prescribed by Law or Regulation* (Ref: Para. 24)

A59. ISA 200<sup>16</sup> explains that the auditor may be required to comply with legal or regulatory requirements in addition to the ISAs. Where this is the case, the auditor may be obliged to use a specific layout or wording in the auditor's report that differs from that described in this ISA. Consistency in the auditor's report, when the audit has been conducted in accordance with ISAs, promotes credibility in the global marketplace by making more readily identifiable those audits that have been conducted in accordance with globally recognized standards. When the differences between the legal or regulatory requirements to report with respect to the other information and this ISA relate only to the layout and wording in the auditor's report and, at a minimum, each of the elements identified in paragraph 24 is included in the auditor's report, the auditor's report may refer to International Standards on Auditing. Accordingly, in such circumstances the auditor is considered to have complied with the requirements of this ISA, even when the layout and wording used in the auditor's report are specified by legal or regulatory reporting requirements.

**Examples of Amounts or Other Items that May Be Included in the Other Information**

The following are examples of amounts and other items that may be included in other information. This list is not intended to be exhaustive.

**Amounts**

- Items in a summary of key financial results, such as net income, earnings per share, dividends, sales and other operating revenues, and purchases and operating expenses.
- Selected operating data, such as income from continuing operations by major operating area, or sales by geographical segment or product line.
- Special items, such as asset dispositions, litigation provisions, asset impairments, tax adjustments, environmental remediation provisions, and restructuring and reorganization expenses.
- Liquidity and capital resource information, such as cash, cash equivalents and marketable securities; dividends; and debt, capital lease and minority interest obligations.
- Capital expenditures by segment or division.
- Amounts involved in, and related financial effects of, off-balance sheet arrangements.
- Amounts involved in guarantees, contractual obligations, legal or environmental claims, and other contingencies.
- Financial measures or ratios, such as gross margin, return on average capital employed, return on average shareholders' equity, current ratio, interest coverage ratio and debt ratio. Some of these may be directly reconcilable to the financial statements.

**Other Items**

- Explanations of critical accounting estimates and related assumptions.
- Identification of related parties and descriptions of transactions with them.
- Articulation of the entity's policies or approach to manage commodity, foreign exchange or interest rate risks, such as through the use of forward contracts, interest rate swaps, or other financial instruments.
- Descriptions of the nature of off-balance sheet arrangements.
- Descriptions of guarantees, indemnifications, contractual obligations, litigation or environmental liability cases, and other contingencies, including management's qualitative assessments of the entity's related exposures.
- Descriptions of changes in legal or regulatory requirements, such as new tax or environmental regulations, that have materially impacted the entity's operations or fiscal position, or will have a material impact on the entity's future financial prospects.

- Management's qualitative assessments of the impacts of new financial reporting standards that have come into effect during the period, or will come into effect in the following period, on the entity's financial results, financial position and cash flows.
- General descriptions of the business environment and outlook.
- Overview of strategy.
- Descriptions of trends in market prices of key commodities or raw materials.
- Contrasts of supply, demand and regulatory circumstances between geographic regions.
- Explanations of specific factors influencing the entity's profitability in specific segments.

- Audit of a complete set of financial statements of any entity, whether listed or other than listed, using a fair presentation framework. The audit is not a group audit (i.e., ISA 600<sup>1</sup> does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., “clean”) opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).<sup>2</sup>
- Key audit matters have been communicated in accordance with ISA 701.<sup>3</sup>
- The auditor has obtained all of the other information prior to the date of the auditor's report and has not identified a material misstatement of the other information.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>4</sup>

#### Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

<sup>4</sup> The sub-title “Report on the Audit of the Financial Statements” is unnecessary in circumstances when the second sub-title “Report on Other Legal and Regulatory Requirements” is not applicable.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (or) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **[Key Audit Matters<sup>5</sup>**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>11</sup>

#### Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

<sup>11</sup> The sub-title “Report on the Audit of the Financial Statements” is unnecessary in circumstances when the second sub-title “Report on Other Legal and Regulatory Requirements” is not applicable.

## **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

[Description of each key audit matter in accordance with ISA 701.]

## **Other Information [or another title if appropriate, such as "Information Other than the Financial Statements and Auditor's Report Thereon"]**

Management<sup>12</sup> is responsible for the other information. The other information comprises the X report<sup>13</sup> (but does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the Y report, which is expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

[When we read the Y report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and [describe actions applicable in the jurisdiction]]<sup>14</sup>

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of an entity other than a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., “clean”) opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA 701.
- The auditor has obtained part of the other information prior to the date of the auditor’s report, has not identified a material misstatement of the other information, and expects to obtain other information after the date of the auditor’s report.

- The auditor has no other reporting responsibilities required under law or regulation.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements*

section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information [or another title if appropriate, such as “Information Other than the Financial Statements and Auditor’s Report Thereon”]**

Management<sup>17</sup> is responsible for the other information. The other information obtained at the date of this auditor’s report is [information included in the X report,<sup>18</sup> but does not include the financial statements and our auditor’s report thereon]

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor’s report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., “clean”) opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained no other information prior to the date of the auditor’s report but expects to obtain other information after the date of the auditor’s report.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

For purposes of this illustrative auditor's report, the following circumstances are assumed:

- Audit of a complete set of consolidated financial statements of any entity, whether listed or other than listed, using a fair presentation framework. The audit is a group audit (i.e., ISA 600 applies).
- The consolidated financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management's responsibility for the consolidated financial statements in ISA 210.
- The auditor was unable to obtain sufficient appropriate audit evidence regarding an investment in a foreign associate. The possible effects of the inability to obtain sufficient appropriate audit evidence are deemed to be material but not pervasive to the consolidated financial statements (i.e., a qualified opinion is appropriate).
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern in accordance with ISA 570 (Revised).

- The auditor has obtained all of the other information prior to the date of the auditor's report and the matter giving rise to the qualified opinion on the consolidated financial statements also affects the other information
- Those responsible for oversight of the consolidated financial statements differ from those responsible for the preparation of the consolidated financial statements.
- The auditor has no other reporting responsibilities required under law or regulation.

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Qualified Opinion

We have audited the consolidated financial statements of ABC Company and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31, 20X1, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Group as at December 31, 20X1, and (of) its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

**Basis for Qualified Opinion**

The Group's investment in XYZ Company, a foreign associate acquired during the year and accounted for by the equity method, is carried at xxx on the consolidated statement of financial position as at December 31, 20X1, and ABC's share of XYZ's net income of xxx is included in ABC's income for the year then ended. We were unable to obtain sufficient appropriate audit evidence about the carrying amount of ABC's investment in XYZ as at December 31, 20X1 and ABC's share of XYZ's net income for the year because we were denied access to the financial information, management, and the auditors of XYZ. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Other Information [or another title if appropriate, such as "Information Other than the Financial Statements and Auditor's Report Thereon"]**

Management<sup>30</sup> is responsible for the other information. The other information comprises the [information included in the X report,<sup>31</sup> but does not include the consolidated financial statements and our auditor's report thereon.]

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the *Basis for Qualified Opinion* section above, we were unable to obtain sufficient appropriate evidence about the carrying amount of ABC's investment in XYZ as at December 31, 20X1 and ABC's share of XYZ's net income for the year. Accordingly, we are unable to conclude whether or not the other information is materially misstated with respect to this matter.

**[Key Audit Matters<sup>32</sup>**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Illustration 7 – An auditor’s report of any entity, whether listed or other than listed, containing an adverse opinion when the auditor has obtained all of the other information prior to the date of the auditor’s report and the adverse opinion on the consolidated financial statements also affects the other information.

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of consolidated financial statements of any entity, whether listed or other than listed, using a fair presentation framework. The audit is a group audit (i.e., ISA 600 applies).
- The consolidated financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the consolidated financial statements in ISA 210.
- The consolidated financial statements are materially misstated due to the non-consolidation of a subsidiary. The material misstatement is deemed to be pervasive to the consolidated financial statements. The effects of the misstatement on the consolidated financial statements have not been determined because it was not practicable to do so (i.e., an adverse opinion is appropriate).
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and the matter giving rise to the adverse opinion on the consolidated financial statements also affects the other information

- The auditor has no other reporting responsibilities required under law or regulation.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Adverse Opinion

We have audited the consolidated financial statements of ABC Company and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31, 20X1, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion* section of our report, the accompanying consolidated financial statements do not present fairly (or *do not give a true and fair view of*) the consolidated financial position of the Group as at December 31, 20X1, and (of) its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

**Basis for Adverse Opinion**

As explained in Note X, the Group has not consolidated subsidiary XYZ Company that the Group acquired during 20X1 because it has not yet been able to determine the fair values of certain of the subsidiary's material assets and liabilities at the acquisition date. This investment is therefore accounted for on a cost basis. Under IFRSs, the Group should have consolidated this subsidiary and accounted for the acquisition based on provisional amounts. Had XYZ Company been consolidated, many elements in the accompanying consolidated financial statements would have been materially affected. The effects on the consolidated financial statements of the failure to consolidate have not been determined.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

**Other Information [or another title if appropriate, such as "Information Other than the Financial Statements and Auditor's Report Thereon"]**

Management<sup>35</sup> is responsible for the other information. The other information comprises the [information included in the X report,<sup>36</sup> but does not include the consolidated financial statements and our auditor's report thereon.]

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the *Basis for Adverse Opinion* section above, the Group should have consolidated XYZ Company and accounted for the acquisition based on provisional amounts. We have concluded that the other information is materially misstated for the same reason with respect to the amounts or other items in the X report affected by the failure to consolidate XYZ Company.

**[Key Audit Matters]<sup>37</sup>**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Adverse Opinion* section we have determined the matters described below to be the key audit matters to be communicated in our report.

- Where the entity has an internal audit function, how the external auditor and internal auditors can work together in a constructive and complementary manner, including any planned use of the work of the internal audit function, and the nature and extent of any planned use of internal auditors to provide direct assistance.<sup>56</sup>
- The views of those charged with governance of:
  - The appropriate person(s) in the entity's governance structure with whom to communicate.
  - The allocation of responsibilities between those charged with governance and management.
  - The entity's objectives and strategies, and the related business risks that may result in material misstatements.
  - Matters those charged with governance consider warrant particular attention during the audit, and any areas where they request additional procedures to be undertaken.
  - Significant communications with regulators.
  - Other matters those charged with governance consider may influence the audit of the financial statements.
- The attitudes, awareness, and actions of those charged with governance concerning (a) the entity's internal control and its importance in the entity, including how those charged with governance oversee the effectiveness of internal control, and (b) the detection or possibility of fraud.
- The actions of those charged with governance in response to developments in accounting standards, corporate governance practices, exchange listing rules, and related matters.
- The responses of those charged with governance to previous communications with the auditor.
- The documents comprising the other information (as defined in ISA 720 (Revised)) and the planned manner and timing of the issuance of such documents. When the auditor expects to obtain other information after the date of the auditor's report, the discussions with those charged with governance may also include the actions that may be appropriate or necessary if the auditor concludes that a material misstatement of the other information exists in other information obtained after the date of the auditor's report.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>69</sup>

#### Qualified Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Qualified Opinion

We were appointed as auditors of the company on June 30, 20X1 and thus did not observe the counting of the physical inventories at the beginning of the year. We were unable to satisfy ourselves by alternative means concerning inventory quantities held at December 31, 20X0. Since opening inventories enter into the determination of the financial performance and cash flows, we were unable to determine whether adjustments might have been necessary in respect of the profit for the year reported in the statement of comprehensive income and the net cash flows from operating activities reported in the statement of cash flows.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## **ISA 560, Subsequent Events**

### **Introduction**

*Scope of this ISA*

1. This International Standard on Auditing (ISA) deals with the auditor's responsibilities relating to subsequent events in an audit of financial statements. It does not deal with matters relating to the auditor's responsibilities for other information obtained after the date of the auditor's report, which are addressed in ISA 720 (Revised).<sup>75</sup> However, such other information may bring to light a subsequent event that is within the scope of this ISA. (Ref: Para. A1)

### **Application and Other Explanatory Material**

*Scope of this ISA* (Ref: Para. 1)

- A1. When the audited financial statements are included in other documents subsequent to the issuance of the financial statements (other than annual reports that would be within the scope of ISA 720 (Revised)), the auditor may have additional responsibilities relating to subsequent events that the auditor may need to consider, such as legal or regulatory requirements involving the offering of securities to the public in jurisdictions in which the securities are being offered. For example, the auditor may be required to perform additional audit procedures to the date of the final offering document. These procedures may include those referred to in paragraphs 6 and 7 performed up to a date at or near the effective date of the final offering document, and reading the offering document to assess whether the other information in the offering document is consistent with the financial information with which the auditor is associated.

### **Facts Which Become Known to the Auditor after the Date of the Auditor's Report but before the Date the Financial Statements Are Issued**

*Implications of Other Information Obtained after the Date of the Auditor's Report* (Ref: Para. 10)

- A10a. While the auditor has no obligation to perform any audit procedures regarding the financial statements after the date of the auditor's report but before the date the financial statements are issued, ISA 720 (Revised) contains requirements and guidance with respect to other information obtained after the date of the auditor's report, which might include other information obtained after the date of the auditor's report, but before the date the financial statements are issued.\*

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>78</sup>

#### Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Material Uncertainty Related to Going Concern

We draw attention to Note 6 in the financial statements, which indicates that the Company incurred a net loss of ZZZ during the year ended December 31, 20X1 and, as of that date, the Company's current liabilities exceeded its total assets by YYY. As stated in Note 6, these events or conditions, along with other matters as set forth in Note 6, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Material Uncertainty Related to Going Concern* section, we have determined the matters described below to be the key audit matters to be communicated in our report.

---

<sup>79</sup> Throughout these illustrative auditor’s reports, the terms management and those charged with governance may need to be replaced by another term that is appropriate in the context of the legal framework in the particular jurisdiction.

<sup>80</sup> Paragraphs 3334 and 3839 of ISA 700 (Revised) require wording to be included in the auditor’s report for all entities in relation to going concern to describe the respective responsibilities of those responsible for the financial statements and the auditor in relation to going concern.

**Illustration 2 – Qualified Opinion When a Material Uncertainty Exists and the Financial Statements Are Materially Misstated Due to Inadequate Disclosure**

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty exists related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern. Note yy to the financial statements discusses the magnitude of financing arrangements, the expiration and the total financing arrangements; however the financial statements do not include discussion on the impact or the availability of refinancing or characterize this situation as a material uncertainty.
- The financial statements are materially misstated due to the inadequate disclosure of the material uncertainty. A qualified opinion is being expressed because the auditor concluded that the effects on the financial statements of this inadequate disclosure are material but not pervasive to the financial statements.
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and the matter giving rise to the qualified opinion on the financial statements also affects the other information
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

**INDEPENDENT AUDITOR’S REPORT**

To the Shareholders of ABC Company [or Other Appropriate Addressee]

**Report on the Audit of the Financial Statements<sup>81</sup>**

**Qualified Opinion**

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

---

<sup>81</sup> The sub-title “Report on the Audit of the Financial Statements” is unnecessary in circumstances when the second sub-title “Report on Other Legal and Regulatory Requirements” is not applicable.

In our opinion, except for the incomplete disclosure of the information referred to in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects (or *give a true and fair view of*), the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

### **Basis for Qualified Opinion**

As discussed in Note yy, the Company’s financing arrangements expire and amounts outstanding are payable on March 19, 20X2. The Company has been unable to conclude re-negotiations or obtain replacement financing. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company’s ability to continue as a going concern. The financial statements do not adequately disclose this matter.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Illustration 3 – Adverse Opinion When a Material Uncertainty Exists and Is Not Disclosed in the Financial Statements

For purposes of the illustrative auditor's report, the following circumstances are assumed:

- Audit of a complete set of financial statements of an entity other than a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management's responsibility for the financial statements in ISA 210.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern, and the Company is considering bankruptcy. The financial statements omit the required disclosures relating to the material uncertainty. An adverse opinion is being expressed because the effects on the financial statements of such omission are material and pervasive.
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor's report and the matter giving rise to the qualified/adverse opinion on the consolidated financial statements also affects the other information
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>84</sup>

#### Adverse Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, because of the omission of the information mentioned in the *Basis for Adverse Opinion* section of our report, the accompanying financial statements do not present fairly (or *do not give a true and fair view of*), the financial position of the Company as at December 31, 20X1, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Adverse Opinion

The Company’s financing arrangements expired and the amount outstanding was payable on December 31, 20X1. The Company has been unable to conclude re-negotiations or obtain replacement financing and is considering filing for bankruptcy. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company’s ability to continue as a going concern. The financial statements do not adequately disclose this fact.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Illustration - Example of a Qualified Opinion Where the Group Engagement Team Is Not Able to Obtain Sufficient Appropriate Audit Evidence on Which to Base the Group Audit Opinion

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of consolidated financial statements of an entity other than a listed entity using a fair presentation framework. The audit is a group audit (i.e., ISA 600 applies).
- The consolidated financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the consolidated financial statements in ISA 210.
- The group engagement team is unable to obtain sufficient appropriate audit evidence relating to a

significant component accounted for by the equity method (recognized at \$15 million in the statement of financial position, which reflects total assets of \$60 million) because the group engagement team did not have access to the accounting records, management, or auditor of the component.

- The group engagement team has read the audited financial statements of the component as at December 31, 20X1, including the auditor’s report thereon, and considered related financial information kept by group management in relation to the component.
- In the group engagement partner’s judgment, the effect on the group financial statements of this inability to obtain sufficient appropriate audit evidence is material but not pervasive.<sup>87</sup>
- The International Ethics Standards Board for Accountants’ Code of Ethics for Professional Accountants comprises all of the relevant ethical requirements that apply to the audit.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and the qualified opinion on the consolidated financial statements also affects the other information.
- Those responsible for oversight of the consolidated financial statements differ from those responsible for the preparation of the consolidated financial statements.
- In addition to the audit of the consolidated financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Consolidated Financial Statements<sup>88</sup>

#### Qualified Opinion

We have audited the consolidated financial statements of ABC Company and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31, 20X1, and the consolidated statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements present fairly, in all material respects (or *give a true and fair view of*), the financial position of the Group as at December 31, 20X1, and

<sup>87</sup> If, in the group engagement partner’s judgment, the effect on the group financial statements of the inability to obtain sufficient appropriate audit evidence is material and pervasive, the group engagement partner would disclaim an opinion in accordance with ISA 705 (Revised).

<sup>88</sup> The sub-title, “Report on the Audit of the Consolidated Financial Statements” is unnecessary in circumstances when the second sub-title, “Report on Other Legal and Regulatory Requirements” is not applicable.

(of) their financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

### **Basis for Qualified Opinion**

ABC Company's investment in XYZ Company, a foreign associate acquired during the year and accounted for by the equity method, is carried at \$15 million on the consolidated statement of financial position as at December 31, 20X1, and ABC's share of XYZ's net income of \$1 million is included in the consolidated statement of comprehensive income for the year then ended. We were unable to obtain sufficient appropriate audit evidence about the carrying amount of ABC's investment in XYZ as at December 31, 20X1 and ABC's share of XYZ's net income for the year because we were denied access to the financial information, management, and the auditors of XYZ. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Illustration 1 – Auditor’s Report on Financial Statements of a Listed Entity Prepared in Accordance with a Fair Presentation Framework

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., “clean”) opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit comprise the International Ethics Standards Board for Accountants’ *Code of Ethics for Professional Accountants* together with the ethical requirements relating to the audit in the jurisdiction, and the auditor refers to both.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and has not identified a material misstatement of the other information.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

**Opinion**

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (or) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

---

<sup>93</sup> The sub-title “Report on the Audit of the Financial Statements” is unnecessary in circumstances when the second sub-title “Report on Other Legal and Regulatory Requirements” is not applicable.

## Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)* together with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

[Description of each key audit matter in accordance with ISA 701.]

## **Other Information [or another title if appropriate such as "Information Other than the Financial Statements and Auditor's Report Thereon"]**

[Reporting in accordance with the reporting requirements in ISA 720 (Revised) – see Illustration 1 in Appendix 2 of ISA 720 (Revised).]

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements<sup>94</sup>**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs,<sup>95</sup> and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements

<sup>94</sup> Throughout these illustrative auditor's reports, the terms management and those charged with governance may need to be replaced by another term that is appropriate in the context of the legal framework in the particular jurisdiction.

<sup>95</sup> Where management's responsibility is to prepare financial statements that give a true and fair view, this may read: "Management is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards, and for such ..."

can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 4041(b) of this ISA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 4041 (c) explains that when law, regulation or national auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.<sup>96</sup>
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

---

<sup>96</sup> This sentence would be modified, as appropriate, in circumstances when the auditor also has a responsibility to issue an opinion on the effectiveness of internal control in conjunction with the audit of the financial statements.

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

*[The form and content of this section of the auditor's report would vary depending on the nature of the auditor's other reporting responsibilities prescribed by local law, regulation, or national auditing standards. The matters addressed by other law, regulation or national auditing standards (referred to as "other reporting responsibilities") shall be addressed within this section unless the other reporting responsibilities address the same topics as those presented under the reporting responsibilities required by the ISAs as part of the Report on the Audit of the Financial Statements section. The reporting of other reporting responsibilities that address the same topics as those required by the ISAs may be combined (i.e., included in the Report on the Audit of the Financial Statements section under the appropriate subheadings) provided that the wording in the auditor's report clearly differentiates the other reporting responsibilities from the reporting that is required by the ISAs where such a difference exists.]*

### Illustration 2 – Auditor's Report on Consolidated Financial Statements of a Listed Entity Prepared in Accordance with a Fair Presentation Framework

For purposes of this illustrative auditor's report, the following circumstances are assumed:

- Audit of a complete set of consolidated financial statements of a listed entity using a fair presentation framework. The audit is a group audit of an entity with subsidiaries (i.e., ISA 600 applies).
- The consolidated financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management's responsibility for the consolidated financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., "clean") opinion is appropriate based on the audit evidence obtained.
- The International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* comprises all of the relevant ethical requirements that apply to the audit.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern in accordance with ISA 570 (Revised).
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor's report and has not identified a material misstatement of the other information.
- Those responsible for oversight of the consolidated financial statements differ from those responsible for the preparation of the consolidated financial statements.

- In addition to the audit of the consolidated financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Consolidated Financial Statements<sup>97</sup>

#### Opinion

We have audited the consolidated financial statements of ABC Company and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31, 20X1, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, (or *give a true and fair view of*) the consolidated financial position of the Group as at December 31, 20X1, and (of) its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. <sup>97</sup> The sub-title "Report on the Audit of the Consolidated Financial Statements" is unnecessary in circumstances when the second sub-title "Report on Other Legal and Regulatory Requirements" is not applicable.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements<sup>98</sup>**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRSs,<sup>99</sup> and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Paragraph 4041 (b) of this ISA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 4041 (c) explains that when law, regulation or national auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.<sup>100</sup>
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

<sup>98</sup> Or other terms that are appropriate in the context of the legal framework of the particular jurisdiction

<sup>99</sup> Where management's responsibility is to prepare financial statements that give a true and fair view, this may read: "Management is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards, and for such ..."

<sup>100</sup> This sentence would be modified, as appropriate, in circumstances when the auditor also has a responsibility to issue an opinion on the effectiveness of internal control in conjunction with the audit of the consolidated financial statements.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

*[The form and content of this section of the auditor’s report would vary depending on the nature of the auditor’s other reporting responsibilities prescribed by local law, regulation, or national auditing standards. The matters addressed by other law, regulation or national auditing standards (referred to as “other reporting responsibilities”) shall be addressed within this section unless the other reporting responsibilities address the same topics as those presented under the reporting responsibilities required by the ISAs as part of the Report on the Audit of the Consolidated Financial Statements section. The reporting of other reporting responsibilities that address the same topics as those required by the ISAs may be combined (i.e., included in the Report on the Audit of the Consolidated Financial Statements section under the appropriate subheadings) provided that the wording in the auditor’s report clearly differentiates the other reporting responsibilities from the reporting that is required by the ISAs where such a difference exists.]*

**Illustration 3 – Auditor’s Report on Financial Statements of an Entity Other than a Listed Entity Prepared in Accordance with a Fair Presentation Framework**

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of an entity other than a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., “clean”) opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and has not identified a material misstatement of the other information.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- The auditor has no other reporting responsibilities required under local law.
- The auditor elects to refer to the description of the auditor’s responsibility included on a website of an appropriate authority.

## **INDEPENDENT AUDITOR’S REPORT**

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### **Opinion**

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

## **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

[Reporting in accordance with the reporting requirements in ISA 720 (Revised) – see Illustration 1 in Appendix 2 of ISA 720 (Revised).]

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements<sup>101</sup>**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs,<sup>102</sup> and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company’s financial reporting process.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at [Organization’s] website at: [website link]. This description forms part of our auditor’s report.

#### Illustration 4 – Auditor’s Report on Financial Statements of an Entity Other than a Listed Entity Prepared in Accordance with a General Purpose Compliance Framework

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of an entity other than a listed entity required by law or regulation. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with the Financial Reporting Framework (XYZ Law) of Jurisdiction X (that is, a financial reporting framework, encompassing law or regulation, designed to meet the common financial information needs of a wide range of users, but which is not a fair presentation framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., “clean”) opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and has not identified a material misstatement of the other information.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- The auditor has no other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR’S REPORT

[Appropriate Addressee]

### Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the balance sheet as at December 31, 20X1, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the Company are prepared, in all material respects, in accordance with XYZ Law of Jurisdiction X.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are

relevant to our audit of the financial statements in *[jurisdiction]*, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information [or another title if appropriate such as “Information Other than the Financial Statements and Auditor’s Report Thereon”]**

*[Reporting in accordance with the reporting requirements in ISA 720 (Revised) – see Illustration 1 in Appendix 2 of ISA 720 (Revised).]*

**Responsibilities of Management and Those Charged with Governance for the Financial Statements<sup>103</sup>**

Management is responsible for the preparation of the financial statements in accordance with XYZ Law of Jurisdiction X,<sup>104</sup> and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company’s financial reporting process.

**Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 4041 (b) of this ISA explains that the shaded material below can be located in an Appendix to the auditor’s report. Paragraph 4041 (c) explains that when law, regulation or national auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor’s responsibilities, rather than including this material in the auditor’s report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor’s responsibilities below.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.<sup>105</sup>
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Application and Other Explanatory Material**

*Considerations When the Auditor Disclaims an Opinion on the Financial Statements* (Ref: Para. 29)

- A26. Providing the reasons for the auditor’s inability to obtain sufficient appropriate audit evidence within the Basis for Disclaimer of Opinion section of the auditor’s report provides useful information to users in understanding why the auditor has disclaimed an opinion on the financial statements and may further guard against inappropriate reliance on them. However, communication of any key audit matters other than the matter(s) giving rise to the disclaimer of opinion may suggest that the financial statements as a whole are more credible in relation to those matters than would be appropriate in the circumstances, and would be inconsistent with the disclaimer of opinion on the financial statements as a whole. Similarly, it would not be appropriate to include an Other Information section in accordance with ISA 720 (Revised) addressing the auditor’s consideration of the consistency of the other information with the financial statements. Accordingly, paragraph 29 of this ISA prohibits a Key Audit Matters section or an Other Information section from being included in the auditor’s report when the auditor disclaims an opinion on the financial statements, unless the auditor is otherwise required by law or regulation to communicate key audit matters or to report on other information.

in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

### **Basis for Qualified Opinion**

The Company's inventories are carried in the statement of financial position at xxx. Management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from IFRSs. The Company's records indicate that, had management stated the inventories at the lower of cost and net realizable value, an amount of xxx would have been required to write the inventories down to their net realizable value. Accordingly, cost of sales would have been increased by xxx, and income tax, net income and shareholders' equity would have been reduced by xxx, xxx and xxx, respectively.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Illustration 2 – Adverse Opinion due to a Material Misstatement of the Consolidated Financial Statements

For purposes of this illustrative auditor's report, the following circumstances are assumed:

- Audit of a complete set of consolidated financial statements of a listed entity using a fair presentation framework. The audit is a group audit of an entity with subsidiaries (i.e., ISA 600 applies).
- The consolidated financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management's responsibility for the consolidated financial statements in ISA 210.
- The consolidated financial statements are materially misstated due to the non-consolidation of a subsidiary. The material misstatement is deemed to be pervasive to the consolidated financial statements. The effects of the misstatement on the consolidated financial statements have not been determined because it was not practicable to do so (i.e., an adverse opinion is appropriate).
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern in accordance with ISA 570 (Revised).
- ISA 701 applies; however, the auditor has determined that there are no key audit matters other than the matter described in the Basis for Adverse Opinion section.
- The auditor has obtained all of the other information prior to the date of the auditor's report and the matter giving rise to the adverse opinion on the consolidated financial statements also affects the other information
- Those responsible for oversight of the consolidated financial statements differ from those responsible for the preparation of the consolidated financial statements.
- In addition to the audit of the consolidated financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Consolidated Financial Statements<sup>114</sup>

#### Adverse Opinion

We have audited the consolidated financial statements of ABC Company and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31, 20X1, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion* section of our report, the accompanying consolidated financial statements do not present fairly (or *do not give a true and fair view of*) the consolidated financial position of the Group as at December 31, 20X1, and (of) its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Adverse Opinion

As explained in Note X, the Group has not consolidated subsidiary XYZ Company that the Group acquired during 20X1 because it has not yet been able to determine the fair values of certain of the subsidiary's material assets and liabilities at the acquisition date. This investment is therefore accounted for on a cost basis. Under IFRSs, the Company should have consolidated this subsidiary and accounted for the acquisition based on provisional amounts. Had XYZ Company been consolidated, many elements in the accompanying consolidated financial statements would have been materially affected. The effects on the consolidated financial statements of the failure to consolidate have not been determined.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in [*jurisdiction*], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

### **Illustration 3 – Qualified Opinion due to the Auditor’s Inability to Obtain Sufficient Audit Evidence Regarding a Foreign Associate**

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of consolidated financial statements of a listed entity using a fair presentation framework. The audit is a group audit of an entity with subsidiaries (i.e., ISA 600 applies).
- The consolidated financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the consolidated financial statements in ISA 210.
- The auditor was unable to obtain sufficient appropriate audit evidence regarding an investment in a foreign associate. The possible effects of the inability to obtain sufficient appropriate audit evidence are deemed to be material but not pervasive to the consolidated financial statements (i.e., a qualified opinion is appropriate).
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor’s report and the matter giving rise to the qualified opinion on the consolidated financial statements also affects the other information

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Consolidated Financial Statements<sup>116</sup>

#### Qualified Opinion

We have audited the consolidated financial statements of ABC Company and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31, 20X1, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Group as at December 31, 20X1, and (of) its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Qualified Opinion

The Group’s investment in XYZ Company, a foreign associate acquired during the year and accounted for by the equity method, is carried at xxx on the consolidated statement of financial position as at December 31, 20X1, and ABC’s share of XYZ’s net income of xxx is included in ABC’s income for the year then ended. We were unable to obtain sufficient appropriate audit evidence about the carrying amount of ABC’s investment in XYZ as at December 31, 20X1 and ABC’s share of XYZ’s net income for the year because we were denied access to the financial information, management, and the auditors of XYZ. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in [*jurisdiction*], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Qualified Opinion* section, we have determined the matters described below to be the key audit matters to be communicated in our report.

For purposes of this illustrative auditor's report, the following circumstances are assumed:

- Audit of a complete set of financial statements of a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600<sup>120</sup> does not apply).
- The financial statements are prepared by management of the entity in accordance with International Financial Reporting Standards (IFRSs) (a general purpose framework).
- The terms of the audit engagement reflect the description of management's responsibility for the financial statements in ISA 210.
- The auditor has concluded an unmodified (i.e., "clean") opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern in accordance with ISA 570 (Revised).
- Between the date of the financial statements and the date of the auditor's report, there was a fire in the entity's production facilities, which was disclosed by the entity as a subsequent event. In the auditor's judgment, the matter is of such importance that it is fundamental to users' understanding of the financial statements. The matter did not require significant auditor attention in the audit of the financial statements in the current period.
- Key audit matters have been communicated in accordance with ISA 701.
- The auditor has obtained all of the other information prior to the date of the auditor's report and has not identified a material misstatement of the other information.
- Corresponding figures are presented, and the prior period's financial statements were audited by a predecessor auditor. The auditor is not prohibited by law or regulation from referring to the predecessor auditor's report on the corresponding figures and has decided to do so.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>121</sup>

#### Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter<sup>122</sup>

We draw attention to Note X of the financial statements, which describes the effects of a fire in the Company's production facilities. Our opinion is not modified in respect of this matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

[Description of each key audit matter in accordance with ISA 701.]

#### Other Matter

The financial statements of ABC Company for the year ended December 31, 20X0, were audited by another auditor who expressed an unmodified opinion on those statements on March 31, 20X1.

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

- Audit of a complete set of financial statements of an entity other than a listed entity using a fair presentation framework. The audit is not a group audit (i.e., ISA 600 does not apply).
- The financial statements are prepared by management of the entity in accordance with IFRSs (a general purpose framework).
- The terms of the audit engagement reflect the description of management’s responsibility for the financial statements in ISA 210.
- A departure from the applicable financial reporting framework resulted in a qualified opinion.
- The relevant ethical requirements that apply to the audit are those of the jurisdiction.
- Based on the audit evidence obtained, the auditor has concluded that a material uncertainty does not exist related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern in accordance with ISA 570 (Revised).

<sup>123</sup> Throughout these illustrative auditor’s reports, the terms management and those charged with governance may need to be replaced by another term that is appropriate in the context of the legal framework in the particular jurisdiction.

- Between the date of the financial statements and the date of the auditor’s report, there was a fire in the entity’s production facilities, which was disclosed by the entity as a subsequent event. In the auditor’s judgment, the matter is of such importance that it is fundamental to users’ understanding of the financial statements. The matter did not require significant auditor attention in the audit of the financial statements in the current period.
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with ISA 701.
- The auditor has not obtained any other information prior to the date of the auditor’s report.
- Those responsible for oversight of the financial statements differ from those responsible for the preparation of the financial statements.
- In addition to the audit of the financial statements, the auditor has other reporting responsibilities required under local law.

## INDEPENDENT AUDITOR’S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>124</sup>

#### Qualified Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Qualified Opinion

The Company’s short-term marketable securities are carried in the statement of financial position at xxx. Management has not marked these securities to market but has instead stated them at cost, which constitutes a departure from IFRSs. The Company’s records indicate that had management marked the marketable securities to market, the Company would have recognized an unrealized loss of xxx in the statement of comprehensive income for the year. The carrying amount of the securities in the statement of financial position would have been reduced by the same amount at December 31, 20X1, and income tax, net income and shareholders’ equity would have been reduced by xxx, xxx and xxx, respectively.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical

responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Report on the Audit of the Financial Statements<sup>130</sup>

#### Qualified Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

### Report on the Audit of the Financial Statements<sup>132</sup>

#### Qualified Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statement of financial position as at December 31, 20X1, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects on the corresponding figures of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1, and (of) its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Qualified Opinion

Because we were appointed auditors of the Company during 20X0, we were not able to observe the counting of the physical inventories at the beginning of that period or satisfy ourselves concerning those inventory quantities by alternative means. Since opening inventories affect the determination of the results of operations, we were unable to determine whether adjustments to the results of operations and opening retained earnings might be necessary for 20X0. Our audit opinion on the financial statements for the period ended December 31, 20X0 was modified accordingly. Our opinion on the current period's financial statements is also modified because of the possible effect of this matter on the comparability of the current period's figures and the corresponding figures.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [*jurisdiction*], and we have fulfilled our other ethical

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of ABC Company [or Other Appropriate Addressee]

### Report on the Audit of the Financial Statements<sup>136</sup>

#### Qualified Opinion

We have audited the financial statements of ABC Company (the Company), which comprise the statements of financial position as at December 31, 20X1 and 20X0, and the statements of comprehensive income, statements of changes in equity and statements of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, (or *give a true and fair view of*) the financial position of the Company as at December 31, 20X1 and 20X0 and (of) its financial performance and its cash flows for the years then ended in accordance with International Financial Reporting Standards (IFRSs).

#### Basis for Qualified Opinion

As discussed in Note X to the financial statements, no depreciation has been provided in the financial statements, which constitutes a departure from IFRSs. Based on the straight-line method of depreciation and annual rates of 5% for the building and 20% for the equipment, the loss for the year should be increased by xxx in 20X1 and xxx in 20X0, property, plant and equipment should be reduced by accumulated depreciation of xxx in 20X1 and xxx in 20X0, and the accumulated loss should be increased by xxx in 20X1 and xxx in 20X0.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in [jurisdiction], and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.
